FOR THE WEEK ENDING THURSDAY, April 9, 1868.

TURPENTINE-During the week just ended there has been a steady demand for this article, and the quantity coming to market has not been sufficient for distilling operations. The price of new virgin is lower, a few small lots having sold at \$5 50@\$5 55. The week's receipts and

sales are only 739 bbls., as follows: Bble. New Virgin. Yellow dip. Hard ... 333..... \$3 40....\$2 05 ston, via Zanzibar. He was in good health and Saturday 42 22.....\$5 55... Tuesday ...
